

Welcome Back Weekend! Clifty Falls State Park

May 3-4, 2014

Saturday, May 3

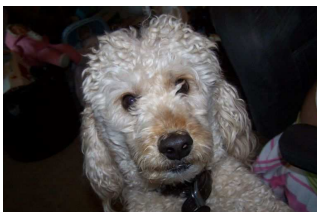

10am Welcome Back Dogwood Walk ~ Stretch your legs with dogwood in bloom on a moderate hike of Clifty's rolling upland field and forest. Furry canine family members welcome on this 60-75 minute outing; just keep them on a 6' leash. Starts and ends at Campground Office. Welcome back!

2-3pm Buzzing About Bugs Nature Craft! ~ Kids (there's a child in each of us) will be all 'abuzz' about insects after making their own whirling dervish insect nature craft. The 'buzz' happens at the Nature Center. Welcome back!

Sunday, May 4

2pm Friends In Clifty's Friendly Places! ~ Discover the cold fuzzy folklore and the warm hearted facts of turtles, black snakes and other fascinating herptiles, live at the Nature Center! Welcome back to Indiana's great outdoors for another year of adventure, discovery and relaxation!
